### **APPLICATION FOR NEW KEY**

The Gawler River Pony Club is commissioning new keys to the grounds to ensure that only fully financial members are riding on the grounds. PCASA, and Pony Club Australia, have fought incredibly hard over the last couple of years to ensure Pony Club is safe and insured for everyone. It would be sad to see this lost.

To do this we need all fully financial members who wish to have a key to fill out the form and return, with \$25 (\$20 if you have already paid your \$5), by the 21<sup>st</sup> of November. The \$20 deposit will be refundable upon return of the key, once you no longer need it.

If we have received your money, we will be issuing new keys at the Saturday and Sunday Christmas Break-Up events. Old keys are to be returned at this time, and members are required to sign the key register.

Sincerely,

Gawler River Pony Club
