Current financial

members will be given priority and riders on the Waiting List will be considered one month following the AGM.

Membership will be capped.

A pre-requisite of Membership is that Members are **expected** to support their Club by attending a **minimum** of two

Working Bees; Assist at two Events; Help at Rallies; Support our Fundraising activities; and Work in the Canteen at

least twice a year. Dates for your compulsory support will be given well in advance and failure to show support **will**

jeopardise your membership.
