

# Kids Korner

I am sorry that this newsletter is late and doesn't have much in it but the holidays were so full of horses and the big ODE we had.

I really liked GRPC ODE because it was my first ODE I got round and it was lots of fun and everyone seemed happy. Nikki did very well and came 7<sup>th</sup> and was very happy. Well done to everyone who rode in it.

Here are some photos from the GRPC ODE.

On the 3<sup>rd</sup> and 4<sup>th</sup> of May there was the Jim Toole Memorial ODE. It was so much fun but only a few people from GRPC came. I think the best part of the ODE was the camping we had campfires, bbq and our ponies close by. The cross-country was a very cool course with lots of room to gallop but a huge ditch took many people by surprise at the gallop home, with lots of people stopping at it or going down and up fast. But Rocki wanted to be different than everyone else so we jumped with me hanging on for dear life and screaming as we landed! Marrabel was so fun and I hope I can do it again but next time I will bring more blankets to sleep in at night it was so cold!

The Easter bunny colouring in contest has extended as we haven't had many rallies. Bring them to the next rally on June 25<sup>th</sup>. Also check out the colouring ins on the website in the Kids Korner.

**The pony profiles will now be on the website too, so keep sending them in. Mum says they make the newsletter file too big to email!**
