## Pony

**Show name:** Hillswood Pretty Penny

**Normal name:** Penny

**Age:** 3

**Height:** 14.3 - 15hh

**Colour & markings:** Brown with a small white star

**Likes:** Cuddles and rolling

**Dislikes:** Jack and being wormed

**Pony lives:** At my house

**My highlights:** When Penny first came to our house no one could get anywhere near her but the second I went out to the paddock she came straight over to me

**I love my pony because:** She's so cuddly and always tries to do what I ask even if she's scared. She always seems happy to see me and she has the most beautiful eyes ever.
