

Pony Profile

Rider

Name: Bree Peters

Age: 15

Pony

Show name: Kerulen Felspar

Stable name: Rocki

Age: 10

Height: 13.2

Colour and markings: Chestnut with a white blaze

Likes: Eating bamboo, going out places, mud, eventing and showing off his speed!

Dislikes: Anyone else rugging or feeding him, cold weather and he hates lateral movements!!

Pony lives: At my place with his two mares!

My highlights: Eventing in 2010 and 2011, going to the Interschool Nationals 2010/2011 and being nominated for the Welsh and Cob Society Achievement Award which is a national competition!!

I love my pony because: He's loves to go fast and jump just like me! He is really grumpy most of the time but he still lets me give him cuddles and he runs around the paddock with me. I trust him 100% and he tries his hardest for me. It's funny when my mum tries to catch him and he just trots away from her and then comes straight over to me!

The person I most admire: So many different people have helped Rocki and me over the years it wouldn't be fair to name just one person!
